

Calendar of GB Functions

Revised 2018

The following is a suggested calendar of recurring events that governing board members should expect to work with on an annual basis. Some board consultations consistently come out at the same time of the year. Other events on this calendar will likely take place within the suggested calendar period. Please consider this calendar as a guideline only. References to the relevant sections of the Education Act are in parentheses where applicable. Please note that the GB needs to meet at a minimum 5 times per year and that monthly meetings are not a requirement under the law. The different items below are organized into tentative meeting groupings.

Please note that a decision of a majority of the votes cast by GB members entitled to vote present in a meeting where quorum has been established is required for every proposal that the GB must approve or adopt as per the Education Act.
