Make feet happy and healthy!

Donate socks to help people

Do you know? **Socks are the most requested clothing item in homeless shelters.** Something as simple as donating a pair of white cotton socks can make a huge difference in our community.

Call GRBA to book an appointment for a foot care service and donate a pair of socks

G.R.B.A is contributing their part by donating 2\$ to **Accueil Bonneau** and **Dans la Rue** from every pedicure service towards our sock drive.
