LBPSB Summer Program 2019

The Summer Program curriculum will be based on the essential components of courses offered during the regular school year. Students and parents should be aware that there is not sufficient time to cover all course content during the Summer Program session. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the evaluations.

**** Successful completion of any course does not guarantee placement for the subsequent school year. This decision rests with the student's home school administration.**

General Information

Courses

Please refer to the attached registration form for a list of available courses and their fees. Students will be allowed to register for a maximum of 2 courses. Courses will only be offered where numbers warrant it. A student may have to change centres to be accommodated in a desired course. Class schedules are divided into two sections:

Section A
8:30 am - 10:20 am

Section B
10:30 am - 12:20 pm

Absences

Summer school classes are designed to maximize the amount of time available to cover as much of the necessary curriculum. It is important that students attend **ALL** classes. A medical note may be needed after the first absence. After three missed absences, a student will automatically fail the course and will be asked to leave summer school.

Course Fees

Course fees reflect program duration and number of exams. No refunds will be awarded after the 1st day of classes. **No personal cheques will be accepted.**

Family Rate

The maximum charge to a single family for program/tutorial fees is \$500.00. This family rate does not include the cost of supplemental exams and transportation.

Non-LBSPB Students can only register for Sec 3, 4 and 5 courses

An additional amount of \$50.00 will be added to programs and/or tutorial fees for students outside the LBPSB and an additional amount of \$20.00 for supplemental exam registration.

Bus service will be offered **for off-island students only** in predetermined pick-up locations to John Rennie High School at a cost of \$90.00. Busing will only be offered to students in Secondary 3, 4 and 5. No bussing service during exams.
